

# REQUEST FOR QUOTES

## The City of Marion Emergency Bypass Pump Procurement

CWSRF Project No. CS010962-01  
October 25, 2024

### **PROJECT DESCRIPTION**

The City of Marion will take quotes for the purchase of a 4-inch (suction / discharge) bypass pump to handle minimum 3/4" solids for Sanitary Sewer usage with over trailer.

The Bypass Pump must meet all American Iron Standards (AIS) requirement. ARPA Funds are being utilized, and all federal guidelines must be met.

The Supplier shall provide and be responsible for delivery of said material and accessories. No Payment Bond or Performance Bond required. All material warranties shall be provided by supplier selected.

Should you have any questions, please do not hesitate to email [rhawkins@uecllc.com](mailto:rhawkins@uecllc.com) for clarification.

### **QUOTE-SUBMITTAL**

The quotes shall be submitted to Roderick Hawkins at 130 Southcrest Drive, Suite 100, Homewood, AL 35209 or at the following email address: [rhawkins@uecllc.com](mailto:rhawkins@uecllc.com).

**The Quotes must be received via Email, USPS, FedEx; etc. or Hand Delivered by November 1, 2024 by 1:00 P.M.**

### **CONTACT INFORMATION**

Please contact Renee Thomas, Utility Engineering Consultants, LLC at (205) 951-3838 or Email at [rthomas@uecllc.com](mailto:rthomas@uecllc.com) for details and to obtain the RFQ Packet.
