Re: SEWAGE DISPOSAL BOARD OF THE CITY OF RED BAY
SEWER TRUNK LINE UPGRADE PHASE I – CONTRACT 4 (REBID) INSTALLATION
CWSRF PROJECT NO. CS010833-03 / UEC CONTRACT NO. RB20 051

ADDENDUM NO. 1

The changes, modifications and/or additions covered by and set forth in this Addendum No. 1 shall become part of and be incorporated in the Specifications, Contract Documents and Bid Documents for the above referenced project.

SPECIFICATIONS AND CONTRACT DOCUMENTS – SECTION 00410 – BID FORM:

The attached Bid Form (Section 00410) shall be replaced with the attached Section 00410.

MANDATORY PRE-BID CONFERENCE:

Notes and Sign in Sheet will be included in this Addendum No. 1.

CLARIFICATIONS:

- Saddles and Inserta-Tees are approved as a connection to the main line.
- On Item Number 7 of the Revised Proposal Form, this calls for the Re-connection of two (2) 6” Services for the Apartment Buildings. This Lump Sum Cost should include the materials needed for each connection to the main line, 60 L.F. of 6” PVC sewer pipe, 20 L.F. of 0.25” thick steel casing pipe (for ditch area), and miscellaneous material to tie back to the existing sewer service.
- On Item Number 8 of the Revised Proposal Form, this calls for the re-connection (to the new 24” new line) of one existing service that currently ties into the manhole where the septic haulers unload.
- On Item Number 16 of the Revised Proposal Form, the Lump Sum Cost should include labor, equipment, and materials needed to make the lateral connection only. The cost for the installation of the manholes at this lateral connection shall be noted under Item No. 10.

BID FORM

ARTICLE 1 - BID RECIPIENT

1.01 This Bid is submitted to:

The Sewage Disposal Board of the City of Red Bay, Alabama

203 4th Avenue, SE, Red Bay, Alabama 35582

1.02 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

ARTICLE 2 - BIDDER'S ACKNOWLEDGMENTS

2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 60 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

ARTICLE 3 - BIDDER'S REPRESENTATIONS

3.01 In submitting this Bid, Bidder represents that:

A. Bidder has examined and carefully studied the Bidding Documents, the other related data identified in the Bidding Documents, and the following Addenda, receipt of which is hereby acknowledged.

<u>Addendum No.</u>	<u>Addendum Date</u>
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____
_____	_____

B. Bidder has visited the Site and become familiar with and is satisfied as to the general, local and Site conditions that may affect cost, progress, and performance of the Work.

C. Bidder is familiar with and is satisfied as to all federal, state and local Laws and Regulations that may affect cost, progress and performance of the Work.

D. Bidder has obtained and carefully studied (or accepts the consequences for not doing so) all additional or supplementary examinations, investigations, explorations, tests, studies and data concerning conditions (surface, subsurface and Underground Facilities) at or contiguous to the Site which may affect cost, progress, or performance of the Work or which relate to any aspect of the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder, including applying the specific means, methods, techniques, sequences, and procedures of construction expressly required by the Bidding Documents to be employed by Bidder, and safety precautions and programs incident thereto.

E. Bidder does not consider that any further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price(s) bid and within the times and in accordance with the other terms and conditions of the Bidding Documents.

F. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.

- G. Bidder has correlated the information known to Bidder, information and observations obtained from visits to the Site, reports and drawings identified in the Bidding Documents, and all additional examinations, investigations, explorations, tests, studies, and data with the Bidding Documents.
- H. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and the written resolution thereof by Engineer is acceptable to Bidder.
- I. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance of the Work for which this Bid is submitted.
- J. Bidder will submit written evidence of its authority to do business in the state where the Project is located not later than the date of its execution of the Agreement.

ARTICLE 4 - FURTHER REPRESENTATIONS

4.01 Bidder further represents that:

- A. this Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any agreement or rules of any group, association, organization or corporation;
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not sought by collusion to obtain for itself any advantage over any other Bidder or over Owner.

ARTICLE 5 - BASIS OF BID

5.01 Bidder will complete the Work in accordance with the Contract Documents for the following price(s):

**ADDENDUM NO. 1
SEPTEMBER 21, 2021**
